SUBJECT: PM 883B CONTINUATION FILED 2 APRIL 1981
DECLARATION IN SUPPORT OF CLAIMS

In accordance with our discussions with George Depaoli, he has filed a Continuation of your 5-alkyl nicotinoid application and has now prepared a Declaration in which new information in support of the claims is provided.

Please review the document very carefully to be certain that each fact to be sworn to by you is absolutely accurate. We must add some additional information to the document, so return to me, unsigned, with corrections and/or comments.

Your assistance is appreciated.
